

Workshop Topic's

Workshops are only three hours long. This is a relatively short amount of time to cover all components in each topic, so depending on where students are at we may focus on the theory and play with the components necessary to help you achieve your goal.

Draw an understanding of what it takes to be able to complete each topic/task.

Workshop topic's

- Level One - On line
- Level One - Riding
- Level Two - On line
- Level Two - Liberty
- Level Two - Freestyle
- Level Two - Finesse

Level Three topic's

- Level Three - On line (three tasks)
- Level Three – Liberty (three tasks)
- Flying Lead Change workshop
- Carrot stick riding
- How to get to Bareback and Bridle-less
- Long Lines
- Barrel pattern and rope skills for dragging objects

We can custom design a workshop for you! Just ask!
